

12 Blue Bathroom Ideas for Bathrooms of Every Size and Style

Everyone's favorite color looks great in the bathroom.

Have Fun With Patterns

Peppy wallpaper in the color of your choosing (in this case, a fun blue and gray pattern) is an excellent way to liven up any bathroom, as Gray Walker, the founder of Gray Walker Interiors, did in this space. The pops of blue don't stop here, though—even the sink basin is a bold cobalt blue.
