**NICOLE FISHER**

With a flair for the dramatic, Nicole Fisher's eye for design transforms any home into a cozy and oh, so cultured sanctuary. Her Instagram posts beautifully blend her classic designs with old-world romance, showcasing exposed brick walls, double-shower setups, vintage furnishings and much, much more. [@bnrinteriors](#)

**NICOLE FULLER**

When it comes to Nicole Fuller's Instagram profile, every post is rife with personality and promise. Known for her acclaimed interiors and art advisory, she brings emotion and opulence to every room with muted color tones, striking design details and masterfully executed architecture. [@nicolefullerinteriors](#)

**MICHELLE GERSON**

When we think of Michelle Gerson's profile, words like sleek, savvy and, well, stunning come to mind. A smorgasbord of past projects, her photos showcase unique design details like abstract headboards, moody marble flooring, dramatic wallpaper and more. [@michellegersoninteriors](#)

**JENNIFER HUNTER**

A pro at pattern play, Jennifer Beek Hunter brightens each space with impeccable prints busting with bold colors. We personally love her family-friendly

homes that speak to the unique characteristics of each member through personal touches, one-of-a-kind furnishings and creative solutions. [@jenniferbeekhunter](#)

**AMY KALIKOW**

For the modern minimalist, Amy Kalikow's Instagram is simply swoonworthy. In all of her photos, her down-to-earth aesthetic and ultrachic style shine through. Our favorite moments? Her customized leather-paneled walls, a breezy bathroom covered in marble and the serene beach-inspired primary bedroom (complete with a wood-paneled ceiling and over-the-top light fixture). [@amykalikowdesign](#)

**HILARY MATT**

When it comes to being fabulous and functional, Hilary Matt has you covered. From posh kids rooms and innovative living areas to touchable textures and ultraluxe lighting, Matt is well versed in creating breathable spaces that are elevated and inviting. [@hilarymattinteriors](#)

**JEFFREY ALAN MARKS**

When brainstorming the hottest Hamptons designers, Jeffrey Alan Marks is certainly top of mind. He expertly crafts the perfect amount of opulence and originality by layering personality-packed moments, one-of-a-kind furniture finds and surprising (but soothing) color swatches.
