## Design Crush: Gray Walker Interiors

September 15<sup>th</sup>, 2023

Based in Charlotte, North Carolina, Gray Walker Interiors is a nationally published interior design firm that bridges the gap between cool modern and collected heritage. They have been published in *House Beautiful*, *Southern Living*, and on the cover of *Traditional Home*.

Walker's style exudes a confident femininity with a sophisticated Southern grace that is never stuffy. Her interiors weave in memories and stories from her clients' lives, and layer them with global influences, updated glamour, and one-of-a-kind pieces.

"I know all the rules – and I know how to break them," says Walker. The Glam Pad is enchanted with her work and is delighted to share some of our favorite images from her exquisite portfolio today! Let's take a peek...
