## The 12 Best Reading Chairs for Curling Up With a Good Book, According to Interior Designers

*Whether you're reading, napping, studying, or lounging, these chairs are cozy as they are visually stunning.*

By Nina Derwin – Published: December 19th, 2025

The Greenwich Chair from Jenni Kayne has a vintage feel without years of wear and tear. "A generous back height creates the feeling of resting your head against a headboard," says interior designer Gray Walker. "I am placing this chair from Jenni Kayne next to a fireplace for reading and working on crossword puzzles. It is going to feel like you are being hugged and kept safe while enjoying a great book!"
